

Expression of interest

Louis Joel Arts & Community Centre is seeking expressions of interest from **SCULPTORS** to vision and execute a piece of art, of and for our time.

Are you a mind-expanding artist who has community (he)art and local history at your core?

Are you adept at creating art to be at home in the outdoors, by the seaside?

Are you fond of repurposing and upcycling industrial materials?

The sculpture will be an intriguing and provocative attraction to be displayed at the front of the Joel Gallery, in Sargood Street Altona.

The shortlist of successful submissions will be treated to a private tour of the remains of the Mobil refinery in Altona – an iconic landmark which many local residents have identified as a workplace across generations. Scrap materials from this tour will form the basis of this sculpture.

We have a moderate budget and want to hear from you. Please email admin@ljac.com.au or call us on 9398 2511 and we will send you further information.
