

Louis Joel Arts & Community Centre

Term 3 Program 2020

Limited Opening

Term 3 begins with some changes to our regular programming. The centre and gallery will not be open to the public, only people attending classes will be able to access the centre.

This change will allow us to follow social distancing rules. As you enter the centre you will be asked to sign in, sanitise your hands, maintain social distancing and follow cleaning protocols.

During term 3 some classes will be running on a fortnightly basis and some will not be running at all. These changes allow classes to have access to bigger areas to ensure social distancing can happen.

Behind the scenes we are planning for when the centre opens "as normal". Until then we hope you are keeping well and staying safe.

To join our mailing list send an email to admin@ljac.com.au and we'll keep you up to date with our weekly e-news.
