

2024 AUTUMN PROGRAM

16 March – 28 May 2024

LOUIS JOEL
ARTS & COMMUNITY

Welcome to Autumn!

Greetings everyone,

One thing is for sure, there is ALWAYS something going on at Louis Joel Arts & Community. We kickstarted 2024 with fabulous exhibitions from the Pulse Collective and our Midsumma workshop participants led by Matto Lucas and "Folks Like Us" launched a program of LGBTIQA+ films to be screened fortnightly at the Centre. Our Poetry group is going from verse to verse, reading, writing and sharing favourites. We have a packed schedule

WE'RE OPEN 7 DAYS A WEEK! This piece of news is one that excites me greatly. How wonderful that people visiting Altona on the weekend can visit the Louis Joel Gallery, take part in activities, pop in for a cuppa and purchase a handcrafted treasure from our gallery shop! It's a win for creatives and a win for community. Thanks to Hobson Bay City Council for supporting us to extend our hours to Sundays as well as Saturdays, 11am – 3pm.

I'd like to officially introduce our newest members of the team, who commenced mid-January. Zoe works on Sundays greeting visitors and looks after the gallery shop and on Mondays she engages with visitors and program participants in real life as well as leading our digital engagement. Please follow, like, share our posts on Facebook and Instagram. Our new look website will be coming shortly!

Hannah works on Tuesdays and Wednesdays, taking care of smooth running of the Centre behind the scenes as well as what happens in the foyer, reception and pretty much all the other rooms. Zoe and Hannah join Danielle, Community & Cultural Development (Wednesday – Friday) and Madeline, Gallery Producer (Friday – Saturday) and me, pretty much most days. Our ongoing partnership with Victoria University means we have scooped the pool in hosting third year social work students undertaking their placement and you will see Alannah most days supporting the team and our programs in multiple ways.

A big shout out to our amazing volunteers, particularly the Garden Gurus, who make our front garden stand out from the crowd – if you would like to join in, please let us know or stop and have a chat when you see them in their orange vests out the front. Look out for ways to support our programs via donations and/or your time. Danielle coordinates our volunteers, and there is always room for more, especially in our edible garden, our monthly Repair Café and fortnightly Boys Own BBQ, putting up flyers and general bits and pieces.

I could speak about each of our programs and upcoming exhibitions here and now, but I want you to flick through our program and see for yourself. You will find opportunities to be creative, connect with others, LAUGH OUT LOUD, sing songs, replenish your mind and body and so much more.

If you have any suggestions for our programming, please be in touch, we would love to hear more of your ideas.

Bring on all those autumn colours.

Karen, Centre Manager

PIER POETRY GROUP

An opportunity for people who love poetry (including song lyrics) to come together and share some poems or lyrics outlining why they enjoy a particular piece, how it makes them feel or think and a brief background on the poet or songwriter.
